Clean Water & Sanitation

Clean water, sanitation, and hygiene education are the basic necessities for a healthy environment and a productive life.

While our founder, Paul Harris served as president of the Chicago Rotary Club in 1907, the club initiated its first public service project of sanitation. The construction of public toilets along Chicago sidewalks. This step transformed Rotary into the world's first Service Club.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water to their home and more time helping their families.

How does Rotary continue to make this help happen?

Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and

We are the Best To the tune of "You're a Grand Ol Flag"

We're the Sunrise Club We're the best singing club and each year it's our pleasure to say, We're the emblem of the island we love to serve and to lead, that's our way.

Every heart beats true for the gold and the blue where there's always a boast and a brag. We pass the test cause we are the best, keep your eyes on the Sunrise Club!!

invest in infrastructure and training that yield long-term change. 2030 is the year Rotary hopes to finish providing everyone with safe water, sanitation, and hygiene
