Share the Love Of Rotary

I LOVE ROTARY! I really do. I love my relationships with so many of the Rotarians here in District 6960 and with Rotarians I've met from around the world. I love what we do together as Rotarians with our club, our District and globally. I love that one person can bring an idea to their club and it can turn into a grand cooperative project. I love that I can go to a different club in my District or when I'm on vacation and I am treated like I'm family. I love that many of my Rotarian friends are now like family – they're the family I've chosen!

What do you love about Rotary? The people? The projects? The meetings? The fundraisers? The food? Okay, probably not the last one or two but we all know they are necessary evils. I know you love Rotary because you're reading this. If you didn't you wouldn't even have clicked open the link.

So...I need you to do me a favor! **SHARE THE LOVE!** It's simple

Sunny Marco Day

To the tune of "Zippitty DooDa"

Zippety doo dah, zippity day
Yes, it's gonna be a great Rot'ry day
Plenty of sunshine headed our way
Here at Rot'ry on a bright sunny day.

Paul P. Harris at my shoulder
It's the truth it's factual
everything is satisfactual

Zippety doo dah, zippity day
Here at Rotary and we're here to stay!

really. You just tell others about why you're passionate about Rotary. And there is no better time than the month of February to show off your "Rotary love."

Here's my challenge to you: Every day, make a conscious effort to share with one person your love of Rotary. It can be to another Rotarian or even better to a non-Rotarian (who you then invite to become a Rotarian). I'm sharing my love with you. Pass it on!
